Sponsorship Form
Season 2019

The A.É.V.R.O. equestrian association (L'Association Équestre de la Vallée Rocheuse de l'Outaouais) has been promoting equestrian sport in this area for over 40 years. During the summer season, we organize and participate in several gymkhana competitions. We believe that this activity allows people of all ages, to set goals and strive to achieve them. This family sport makes young and older people come out from their usual routine by participating or watching this amazing sport.

Each season we look for sponsors to help minimize the costs associated with organizing the competitions and merit awards. Your sponsorship is it personal or business will be promoted during our competitions as well as in our advertising passport which is given to all members (over 350 members). In addition, your advertisement and / or business card will also be posted on our website www.aevro.org. Different levels of sponsorships are available. Depending on the chosen option, we can offer the possibility of installing your banner in the competition arena, carrying your flag in our flag parades and even having the privilege of a game carrying your business name.

To insure quality work, we ask that you kindly provide us with a business card or an advertisement in a(****.pdf) format via e-mail at administration@aevro.org.

On behalf of the A.E.V.R.O. board and all its members, we thank you for your support. For more details, do not hesitate to contact one of the Board members.
